

Team Mojo Foundation is a 501(c)(3) tax-exempt not-for-profit corporation, registered in good standing with the State of Ohio.

Our mission as a public charity is to create opportunities for young people in need by providing support, guidance and financial assistance, with an emphasis on confidentiality.

Through a network of school administrators, teachers, coaches, booster clubs, clergy, community leaders, volunteers, our board of directors and other concerned parties, we help eligible candidates in the local tri-state area participate in activities they may not otherwise be able to without our assistance. Our coverage area is outlined on teammojofoundation.org.

In addition to our own fundraising efforts, Team Mojo Foundation is funded by generous donations from individuals, businesses and organizations, as well as grants from philanthropic foundations and other agencies.

Areas where we've already helped make a difference in numerous young peoples' lives include sports, scouting, field trips, prom, graduation, extracurricular activities, music lessons and camps. Many more examples of success stories are available on our website.

Visit teammojofoundation.org for more information about our mission and review our online application form for details about our eligibility requirements.
